w3q44g  I am afraid of failing out of college.
My test scores in class are an accurate indicator of my academic abilities.

My course grades are an accurate indicator of my academic abilities.

If I am having trouble with course material, other students probably are as well.

If I let my instructors know that I am having difficulty in class, they will think less of me.

If I let other students know that I am having difficulty in class, they will think less of me.

If instructors hold negative stereotypes about certain groups, it will not affect their evaluations of individual students from that group.

If other students hold negative stereotypes about certain groups, it will not affect their evaluations of individual students from that group.

If I excel academically, it reflects positively on my racial or ethnic group.

If I do poorly academically, it reflects negatively on my racial or ethnic group.
